Dear Gregg,

I want to commend you for the outstanding Team Building Training that you have provided to the Defense Energy Support Center (DESC). The teamwork, communication, and leadership concepts you so expertly taught our workforce have made all the difference in improving DESC's climate and culture. The training you provided was simply invaluable. Even in the face of shrinking budgets and reduced training funds, I recognized your training was one that DESC could not afford to cut. Without question, the decision to invest in my workforce has paid dividends across the entire Agency.

Sincerely,

**RICHARD J. CONNELLY**  
Director
